## PROFESSIONAL SUMMARY

**Innovative and solutions-focused IT Project Manager** with more than 20 years in enterprise project management, specialized in leading high-performance computing and multi-disciplinary teams, experienced in supporting network infrastructure, server virtualization and end-user computing, for multi-user and remote environments.

---

## EDUCATION

**Ph.D. in Computer Science:** *PUC-Rio – Rio de Janeiro, RJ, Brazil*

**M.D. in Computer Science:** *IME – Rio de Janeiro, RJ, Brazil*

**Bachelor in Electronic Engineering:** *USU – Rio de Janeiro, RJ, Brazil*

---

## SKILLS

High Performance Computing	Military Simulation	Computer Graphics
Scientific Visualization	Data Base	GIS
Effective Multi-Tasker	Strategic Planning	Programming

---

## EXPERIENCE

### IT Manager / R&D Project Leader

*National Institute for Pure and Applied Mathematics – IMPA* 1999 – current

- Head of Computer Department
- Project Leader of R&D and Technical-Scientific institutional projects
- Delivered on-site IT and technical support for more than 1000 users

### R&D Project Leader

*Tecgraf Institute at PUC-Rio* 1994 – 2016

- Project Leader of R&D in Military Simulation, Computer Based Training and High Performance Computing

### IT Manager / R&D

*National Institute for Scientific Computing – LNCC* 1984 – 1999

- Head of Computer Department
  - Led the development team that created scientific applications for R&D
- 

## ADDITIONAL

- Member of International Committee Conferences
    - o Simulation and AI in Computer Games Conference – GameON
    - o European Multimedia Conference – EUROMEDIA
    - o International Industrial Simulation Conference – ISC
  - More than 20 papers in Conferences
  - Medal of Merit Tamandaré – The award is intended to civil and military personalities, who provided relevant services to Brazilian Navy
